Membership dues (\$35) need to be paid by the end of the month.

\$25 goes to the Idaho Federation of Republican Women (IFRW). \$20 goes to the National Federation of Republican Women. We keep \$10 for our group.

There are 3 sponsorships available. Don't let the dues keep you from being a member.

Consider sponsoring a friend's membership.

It is never too late to update your membership or become a new member.

We take new members all year long.

Fay Almond, Elena Quinn, and Liz Benage are going to call members and remind them it is time to pay dues.

Can we put our application and payment option on our website? yes

Elected Official's Reports:

Mary Kate Fioravanti gave us a School Board report. Look for an update after her visit to Boise in February.

Guest Speaker:

Tyler from Turning Point USA didn't end up making it. He is the President of the Turning Point club at Bonners Ferry Highschool. We will try to line him up for another night. Be thinking of any youth you could invite.

New Business:

- Town Hall for State Legislators – Elena Quinn is reaching out to see when a good date would be for our Representatives.
- We are not able to meet at the Senior Center because of the meeting fee being charged to us. Donna Thomas reached out to Dave Schuman and he was able to get us a night reserved at the Fraternal Order of Eagles (Eagles Club), located at **7159 2nd St, Bonners Ferry, ID** for our monthly meetings. They are not charging us so we will gather donations at every meeting.
- Donna Thomas motioned that we moved up our meeting time to 6PM. Mary Kate Fioravanti 2nd it. Passed.
- Lyndsey Bertoldo gave an update on Alaska's election results
- Kristin Christensen from Heritage Action Center will be a speaker sometime this year. More info coming when a date is decided.

Announcements:

Elena Quinn was appointed Boundary's RCC State Committee Woman.
