Business:

Fair Booth – Fair is August 4th - 9th – The sign up sheet was passed around. Elena will be at the fair on Monday 4th, 3PM till 6PM for set up. She welcomes anyone that is willing/able to help.

The BCRCC is going to have their monthly meeting at their fair booth set up.

GOP Summer Meeting Update – Elena updated us. It was motioned and passed that our group would oppose the Reproductive Freedom and Privacy Act and the Decriminalize Cannabis Now Initiative. These two are in the signature stage.

Mary Kate Fioravanti motioned that we donate \$150 to BCRCC to help them get more printed “Do Not Sign” handouts for the fair. That way we can also have some at our fair booth. The motion was amended we donate \$400 instead. The motion passed.

It was decided to have printed out information on the Grocery Tax Repeal, yet no handouts because it has not been approved for signature gathering. We don't want to confuse the voters with too much information too early.

August 16th BBQ – 1 PM Fays House – A sign up sheet went around for food assignments

Announcements:

Fay Almond informed us that “The Gift of Fear”, a book first mentioned to us by Rick Seigmund from Warriors Rise, was available in the Boundary County Library. She recommended the book.

Fay also recommended us go to <https://childrenshealthdefense.org/> and check out their information on vaccines. She thought it was a good resource for any new parent.
