Old Business:

Legislative Candidate Forum Planning Committee Update: We can start set up at 4:30 on the 30th. The candidates will be seated on the stage at tables, and their mics will be live, so they can just stand and speak. It will be recorded and put on YouTube and our website. Candidates will have tables in the common area. Mary-Esther and Charlene Wells volunteered to man PRW's table. Rosalinda Henry volunteered be our Moderator, and Olivia Drake to be Timekeeper. There will be 8 questions, & each candidate will have 2 mins. That means it will be about 2 hours long.

Sponsorship Committee: 9 sponsors so far. Platinum sponsorships are \$100, Gold \$50, Silver \$25.

Volunteer Hours: Elena reminded members to let either her or the secretary know of hours spent attending meetings or engaging in campaign activities (sign waving, door knocking, phone calls, monitoring the State Legislature, School Board meetings, etc.)

Lincoln Day Dinner: The BCRCC donated \$950 for our help! That's half of the Desert Dash proceeds!

New Business:

Fair Booth: We will be in the middle of the Pavilion, with a partition behind us, but not on the sides. The space will be 8 by 8.

Local Candidate Forum: Elena asked if the club thought it would be helpful to host a forum for local candidates, too. It was decided not to, since Dave Anderson is hosting one, 6PM on the 28th @ the BF Middle School.

Upcoming Primary Election: Charlene asked whether there were any get-out-the vote plans or ideas. Members are encouraged to go door knocking, register new Republican voters, etc.
