Treasurer's report approved - current balance is \$2,637.75. The club voted to reimburse Elena \$233.74 for handouts at the fair.

Elected Officials and Candidates: None

Old Business:

Fair Feedback: Everyone agreed that the kids enjoyed the temporary tattoos and trivia questions. Maybe next time we could advertise our meeting schedule and have voter registration forms available.

Prop 1: We need to continue door knocking and putting out signs to get out a good turnout and defeat Prop 1.

Levys: The hospital levy is \$3M, and the school levy is \$2.4M.

HJR4 would amend the state constitution and would give the state legislature exclusive authority to regulate psychoactive substances.

HJR6 would amend the Idaho constitution to make English the state's official language.

Leadership Institute Workshop Recap: Main takeaway is that you don't have to convert each voter to be pro-life, but show them how radical Prop 1 is.

RFP (Reproductive Freedom and Privacy Act) would allow abortion for any reason until "fetal viability". RFP (Reproductive Freedom and Privacy Act) attempts to redefine fetal viability as when the baby "has a significant likelihood of sustained survival outside of the uterus without extraordinary medical measures". Very vague and open to interpretation.

Announcements:

Elena bought two "No on Prop 1" banners to hang on each side of the former Trump sign on the edge of town.
